

Band Boosters Volunteer Survey 2015-2016

The McNary Band Boosters exist to support, financially and logistically, the entire McNary Band and Color Guard program. This includes Concert Band, Wind Ensemble, Jazz, Marching Band, Color Guard, and Symphony. Throughout the year, the Boosters help students participate in these activities by providing assistance with such things as uniforms, music, band camp staff, meals, fundraising activities, transportation, and enthusiastic support.

If you are a parent who wants to stay in touch with your student's world, support their endeavors in music, and/or support McNary students in music generally, we will happily help you find a role to play, whether large or small, a one-time role or ongoing.

Below are several ways for parents to be involved. Please look at the options and sign up to help. You can mail them to:

- ☐ **Uniforms:** Help is needed with uniforms on event days, as well as mending, measuring, taking to the cleaners, and organizing.
- ☐ **Food:** Help is needed with food preparation and serving at events throughout the year. Donations for food and drinks are also needed at times.
- ☐ **Fundraisers:** Help is needed with brainstorming, researching, planning and carrying out various fundraisers. Some, like the Fireworks Booth and Band Day, are already established and have predetermined jobs that need to be filled. Others need to be developed and organized.
- ☐ **Chaperones:** Chaperones are needed for trips away from school throughout the year, for the pep band for home football games and for parades during the year.
- ☐ **Pit-Pops:** This group helps move equipment and instruments for performances, mostly in the fall, and some in the spring for festival season. Typically, this would be on a Friday or Saturday.
- ☐ **Equipment Repair/Band Shed Upkeep:** There is periodic need for repair of equipment, items to be built, and work days in the Band Shed.
- ☐ **Prop Crew:** Help design, build, and set up of posters, displays, visual and structural elements for the marching band and other events. This could involve the design and/or production of materials in many forms.
- ☐ **Communications:** Help is needed periodically for mailings, phone calling and other communications, assisting various members of the Board in their functions.
